Schlage Commercial Price Increase

Ingersoll Rand Security Technologies wants to advise you of their intentions for a 2012 list price increase effective March 5, 2012. The increase will impact their Schlage commercial, Von Duprin and Glynn Johnson brands as well as select products from their Schlage Electronics, LCN, Falcon and Ives brands. The increase will average 3.5%.

Falcon Express Ship Program

Schlage Residential Solutions is proud to announce the introduction of their Falcon Express Ship Program. This program is geared to offer customers quick delivery of a select number of Falcon and Schlage products applicable to multi-family and light commercial applications.

The program includes:

- FALCON W-Series Locks
- FALCON 19, 24, and 25 Exit Devices
- FALCON SC60 and SC80 Door Closers
- SCHLAGE B60/B80 Deadbolts

Initially, these products are offered in Satin Chrome (626) and Aluminum (SP28 and 689) finishes. More finishes will be added to the offering as demand increases.

With the Falcon Express Ship Program, Schlage will ship these items with only a 72 hour ship lead time. Keying options - KA, KD, RMK, CK

.....
Catalog Correction: Section 15-W page 12: Window Fixer Channels. NOTE: They are designed for 1-3/8" thick wood windows with a 1/2" **parting bead** that weigh 20 pounds or less.
