Glasscraft wood doors are available finished or unfinished for quick shipment in Mahogany and Knotty Alder.

The Mahogany collection includes their Portobello and Legacy (builders) series.

The Portobello series offers an extensive selection with numerous options. 1-3/4" thick Portobello door and sidelight profiles are available in 6'8" & 8' foot tall heights in 32", 36", and 42" wide door sizes. Standard sidelights are available in 12" and 14" widths. Matching transoms are available for many designs. The knotty alder series doors are 1-3/4" thick (6'-8" or 8'-0"), and available in 3'0" widths.

The TDL "True Divided Lite" Series with Low-E Options

GlassCraft's TDL "True Divided Lite" collection provides a selection of classic French doors and stylish Prairie and Craftsman doors—all with beautiful and rich woodgrains. TDL doors in this catalog do not use simulated divided lights. The TDL doors feature double insulated, low emissivity "Low-E" glass panels for security, strength, and energy efficiency.

Jumbo Post Tops

The JT30 wood exterior post top has been discontinued. Please make a note of this on page 27-9E and page 9-13S. We continue to offer Jumbo Post Tops in the JT33 and JT36 as pictured below.

JT33
4-3/4" x 6-7/8"

JT36
4-3/4" x 7-3/4"

Emtek Concealed Fasteners

Choose a concealed fastener (CF) mechanism and limited rotation latch as an option for Emtek passage and privacy locksets.

Emtek's CF Mechanism is quick and easy to install. Ordering is also simple, no handing is required.

Emtek's innovative chassis design is spring loaded on both sides and comes standard with a 28° rotation latch. Operation is smooth and long term reliability is ensured. Every CF Mechanism is backed by Emtek's CF Mechanism Lifetime Limited Mechanical Warranty.

Please call for quotes on the CF option. We will announce in a few months when our BBQuote computer pricing will be updated to include the CF option.

B&B Website

We are updating www.bbwood.com. The door section is the first section to be updated. You may experience some issues with the other sections prior to their updates.

Schlage Website

Homepage: <http://consumer.schlage.com/Pages/home.aspx>

- New interactive flash piece is similar to their style selector, however built around the Decorative Collections
- "Build your own" locks, selecting between door, decorative rose style, finish, knob and lever options
- After building their unique lock, users may share their masterpiece via social, email or print, or dive further into the decorative product pages for more information
- Great tool to showcase the many style options that the Collections offer.

Quiz & Contest:

- Whatcha-Callit quiz highlights 5 common household items that you might not know the name for. Featured as the last question is "rose" offering a fun, interactive way to educate what a rose is.
- At the end of the quiz, visitors have an opportunity to sign up to win decorative locks for their homes. Contest will end Sept 27th.
- The quiz will be promoted through both our Schlage website and Facebook/Twitter

Pricing Notices

Emtek hardware prices are up 5%.

HBG prices are up effective Sept 1st, 2011.

Trustile had a price increase of 4-5% last May. We are reflecting that pricing increase with our current discount update.
