

B&B Wood Products inc.

26301 Richmond Road, Bedford Hts, OH 44146-1488

(216) 292-6555 / (800)-362-9138 / Fax (216) 292-6584; E-mail: sales@BBWOOD.com

Removable Wood Grids

Grids are priced in pine. Grids and add-ons are priced per light. For rectangular light patterns count the number of rectangles. For diamond patterns see examples of diamond light counts below.

For a complete list of diamond patterns please see our website: www.bbwood.com

NOTE: Grids for B&B doors are designed to fit on the molded stop side of the door. Applied stops should be glazed to the exterior.

Framed Grids: If ordering grids for B&B doors, please supply original invoice number. We will determine the proper frame.

If ordering grids for doors that did not come from B&B you will need to choose the proper frame. See our frame chart on our website, www.bbwood.com

Grids are considered special order. Lead-Time: 4 weeks
