Wood Basement POLE Covers

Hide ugly basement poles with our pole covers and transform any lolly column into a decorative element!

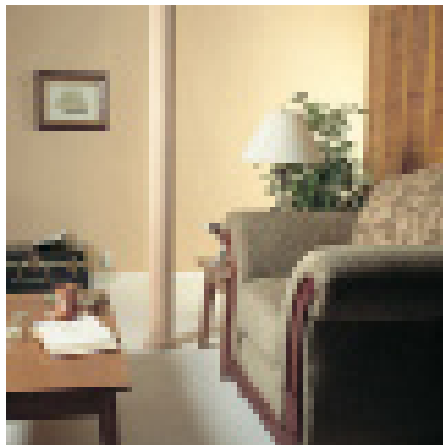

Step 1: Begin

Step 2: Attach spacers and glue in the biscuits provided.

Step 3: Hold together with nylon ties provided until glue dries.

Paint or Stain to match your decor

Will cover 3" to 4" diameter poles. Easy assembly. No sharp edges. Materials needed for assembly: Knife, damp cloth, masking tape, hammer, 2 C-clamps, and finish nails. Spacers included.

For a 3" pole you will need all three spacers provided.

A 3-1/2" pole requires two spacers.

A 4" pole requires one spacer.

If existing pole is larger or smaller then spacers can be made by cutting cardboard and taping them to the pole.
